WELCOME

WELCOME to Bury St Edmunds Presbyterian Church. We're glad to have you with us today to worship the Living God. We are a family of Christians who are gathered together as the church to worship and meet with God, and to fellowship with and to build up one another in the Christian faith.

We are a Reformed evangelical church, belonging to the Evangelical Presbyterian Church in England and Wales. Our beliefs are summarized in the Westminster Confession of Faith. The reading and preaching of the Word of God, the Bible, is the central focus of our worship and we sing both psalms and hymns in praise to God. Free information and literature can be found on the table at the back of the church.

CRÈCHE – We invite you to worship together as families, including your children! A little background noise does not bother us, however we do provide a crèche in a separate room across the car park behind the church, where the service is relayed by radio link. Please ask if you need help.
